

XC Replacement Cartridge

9613-09

Fits QC7, QC7I and High Flow Systems where extreme water conditions demand a larger capacity filter.

BENEFITS

- Removes chlorine and other off tastes and odors that can spoil a drink
- Filters out dirt larger than ½ micron -
- Removes cysts, asbestos fibers and other similar contaminants
- Keeps drinks carbonated longer
- Increases drink system life
- Allows **BRIX** to stay within manufacturers' standards
- Listed under NSF Standards 42 & 53

APPLICATION/SIZING

Same for QC7I-MC Systems. Use when your water conditions require longer life with the same quality filtration.

Single: Dispensers with *single carbonator* or using *up to 25 tanks* of syrup per month.

Twin: Dispensers with *single carbonator* or using *up to 50 tanks* of syrup per month.

Triple: Dispensers with *double carbonator* and using *more than 50 tanks* of syrup per month.

EVERPURE PART NO.: 9613-09

INSTALLATION TIPS

- **Activate filter cartridges by running water to drain at full-flow for 5 minutes through each cartridge, one at a time.**

OPERATIONS TIPS

Change cartridges

- on a regular 6-month preventive maintenance program
- when pressure gauge indicates a pressure less than 10 psi *when system is operating*
- or at least annually.

Always activate filter cartridges when changing.

SPECIFICATIONS

- Requires 6" more vertical space than MC
- Same flow rates as QC7I-MC series
 - Minimum: Single: .75 gpm
 - Twin: .75 gpm
 - Triple: 1.5 gpm
 - Maximum: Single: 1.67 gpm
 - Twin: 1.67 gpm
 - Triple: 3.34 gpm
- Pressure: Minimum: 20 psi
 - Maximum: 125 psi (non-shock)
- Maximum temperature: 100°F (38°C)

Fits QC7, QC7I and High Flow Systems where extreme water conditions demand a larger capacity filter.

LIMITED WARRANTY OF PHYSICAL QUALITY

If, within eighteen months after manufacture or twelve months after purchase (whichever occurs first), any part of Everpure, Inc. manufacture which is returned to its factory, shipping charges prepaid, is found to be defective in material or workmanship in the judgment of Everpure's engineers, Everpure, Inc. will repair or replace such part at no charge, f.o.b., Westmont factory. Everpure, Inc., however, shall not be liable for damages or delays caused by any defective material or workmanship, or by failure of any parts due to normal wear and tear. Everpure, Inc. will not be responsible for products which malfunction due to user neglect or unauthorized modification.

Note: Some states do not allow limitations on how long an implied warranty lasts so the above limitation may not apply to you. Similarly some states do not allow the exclusion or limitation of consequential or incidental damages so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

NATIONAL SANITATION FOUNDATION STANDARDS
